#### NOTES

1. All rates include FREE Infrastructure Review.
2. Clients must approve all final schedules prior to placement.
3. All rates subject to change without prior notice.
4. Local cable systems/platforms usually offer multiple zones in each local DMA. Local cable rates are based on the local DMA's largest platform/cable system operator and includes up to "ALL DMA ZONES" offered by that cable system/platform. Additional cable systems in any DMA may be available at an additional rate to be custom quoted.
5. Not all networks listed on the local cable DMA rate card are available in all local DMAs.
6. Local cable networks are subject to availability at time of placement.
7. All time blocks listed above are "ROS", run of schedule. Client picks time blocks, networks/platform pick exact run time. Fixed time slots and specific tv shows are available by custom quote.
8. Rates listed are for 30-sec spots, 60-sec spots are double.
9. All spots are subject to content approval by network/platform prior to placement.
10. All placements after November 15, subject to potential rate increase of +25%.
11. All rates subject to change without written or published notice.
12. New York Metro 1 reaches up to 3.3 million households, New York Metro 2 reaches up to 2 million households.
13. Markets highlighted in yellow can only be purchased as a full interconnect, no individual zones.
